THEATER

With seating for 143 people, MAD's Theater is the only medium-sized theater in the Columbus Circle area. It provides a unique forum for private screenings, press conferences, corporate seminars, presentations, performances, and rehearsals. The Theater's presentation options include DCP, 35mm, 16mm, optical media and legacy video projection with Dolby Digital surround sound, XPAND 3D capabilities, wired and wireless microphones, and various laptop and auxiliary inputs. The Theater is the only space in the Museum restored to its original look including a custom gold lame, undulating mesh ceiling, bronze sconces and doors with neoclassical designs, and walnut walls. The Theater lobby is also available for private events for up to 60 guests.

BARBARA TOBER GRAND ATRIUM
