

# EVENT PLANNING

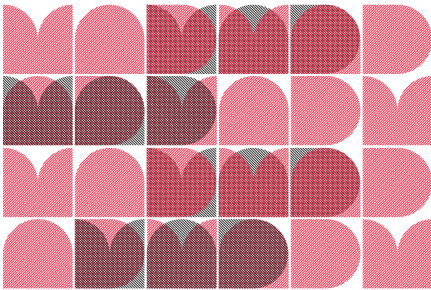

## 7TH FLOOR EVENT SPACE

Our premier event space is located on the Museum's 7th Floor and offers stunning floor-to-ceiling views of Columbus Circle and Central Park. The space is equipped with audiovisual capabilities and private bathrooms. With an all-white interior, it is a versatile room that can hold 150 guests for a cocktail reception, 85 for a seated dinner, or 120 for theater style seating.

## THE THEATER AT MAD

With seating for 143 people, MAD's Theater is the only medium-sized theater in the Columbus Circle area. It provides a unique forum for private screenings, press conferences, corporate seminars, presentations, performances, and rehearsals. **The Theater's presentation options include DCP; 35 mm film; 16mm film; optical media and legacy video projection with Dolby Digital surround sound; XPAND 3D capabilities; wired and wireless microphones; and various laptop and auxiliary inputs.** The Theater is the only space at the Museum restored to its original style, and includes a custom gold-lamé mesh ceiling, bronze sconces and doors with neoclassical designs, and walnut walls. The Theater lobby is also available for private events for up to 60 guests.

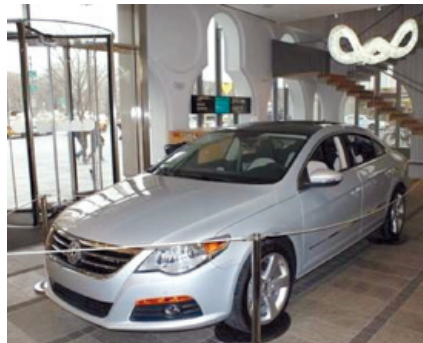

## BUILDING FACADE

Our 54,000-square-foot building's ceramic and glass-paneled facade is available for video projections, installations, and filming. Artistic projections have the ability to reach tens of thousands of New Yorkers and tourists every day in the epicenter of the city.

## BARBARA TOBER GRAND ATRIUM

The Barbara Tober Grand Atrium is located on the ground level of the Museum. This light-filled space is enclosed by glass and features the building's iconic "lollipop" windows and a grand suspended staircase. The Atrium can accommodate 110 guests for breakfast receptions. Please note this is not a private space.

## GALLERY ACCESS

When the Museum is open to the public, gallery access is included with all rentals. After Museum hours, gallery access can be arranged for a rental fee. Docent tours are also available for an additional charge.
