

# how to make a <sup>miniature</sup> bouquet of flowers

## MATERIALS :

1. this paper
2. 4 toothpicks or twist-ties
3. paint, markers or other coloring supplies
4. glue
5. scissors
6. sense of adventure

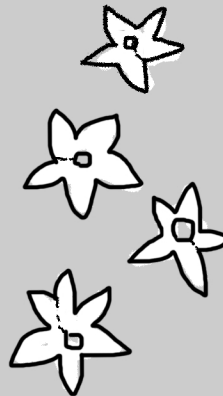

## flower components

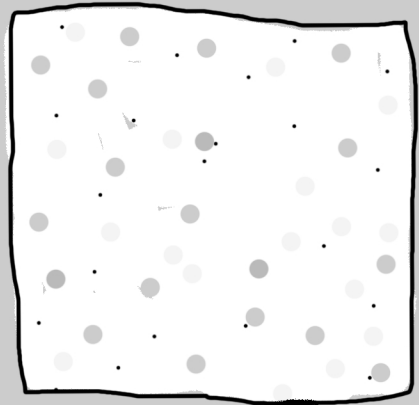

petals

leaves

flower base

bouquet wrap

## ASSEMBLY :

1. cut out flower components

2. roll each petal paper into a coil to make a flower bud

\*start rolling wide end first

put a tiny drop of glue

pinch and hold to form paper bud

3. color leaves, flower base, and toothpicks/twist-ties green

4. insert 1 toothpick/twist tie through the flower base and into the bottom of each bud

5. glue leaves onto toothpick stem

put a drop of glue here

6. optional: color bouquet wrap; place flowers inside and glue

fold

fold and wrap

glue
