Materials List Making at MAD: Wearable Art

8-10 Year Old Campers

9:00-11:00 AM

Instructor: Lexy Ho-Tai Materials needed:

- A favorite piece of clothing/ a piece of clothing that represents you (that you already own bring it to the first day of camp!)
- Base clothing to embellish/ DIY on (for example, clothing with holes in them, plain clothing articles that could use embellishment, something you don't wear much, etc.)
- Fabric Scraps (cotton, felt, any fabrics you have lying around to be used as embellishment such as old rags, lonely socks, etc.)
- 1 Old T-Shirt
- Needle + Thread (different colored threads)
- · Straight Pins
- Scissors (sharp scissors or fabric scissors must be able to cut through cloth)
- Any materials for embellishment: ribbons, buttons, beads, etc.
- Found + Recycled Materials (ex. Cardboard, Newspaper, Plastic Bags, Packaging, Bottle Caps, Wire, etc. save anything!)
- Sketching Materials (printer paper and/or sketchbook, pencils, sharpener, eraser)
- Something to color with (such as markers, colored pencils, pastels, watercolors
- Color construction paper
- Adhesive (such as tape, glue, or hot glue)
- We will be working with upcycling + sustainable fashion, so save and bring **any** materials that you may want to give new life! The more the merrier!
